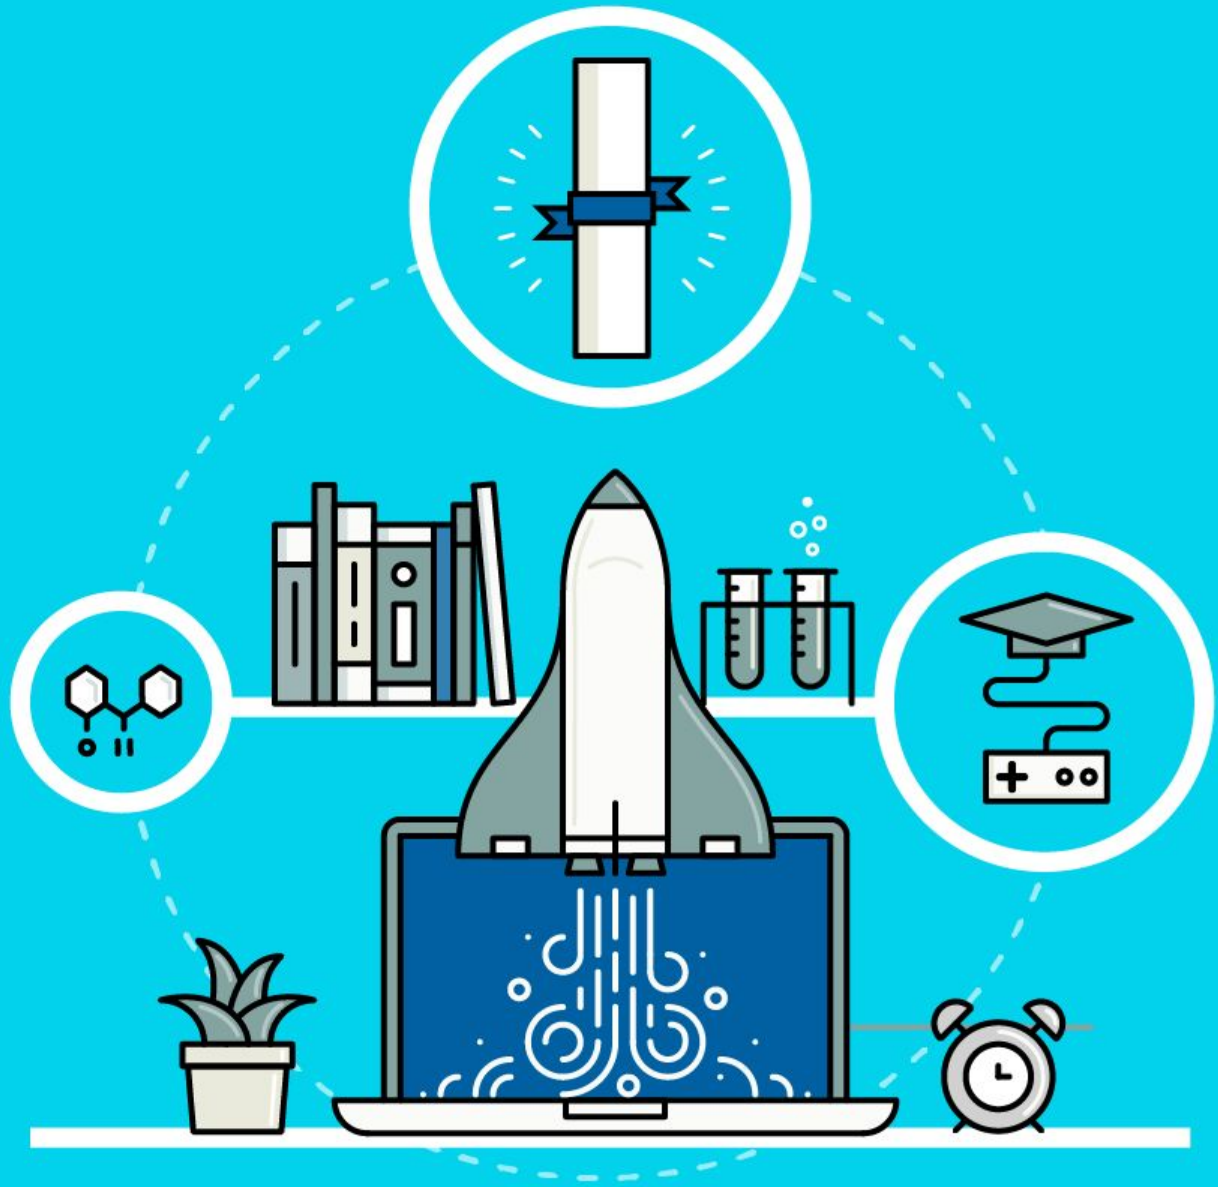
FAST™ ACADEMY

Company Overview



OUR PURPOSE

Fast Academy is an EdTech company specializing in learning solutions for emerging markets, with primary emphasis on Africa.

OUR MISSION

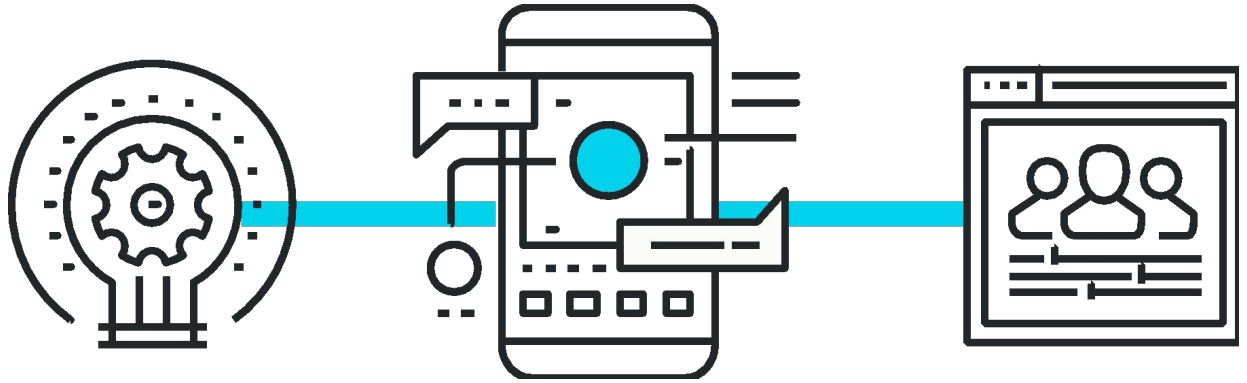
Through our innovative EdTech solutions we will look to significantly improve learning and skills development as well as reduce youth unemployment across the continent.

OUR VALUES

1. To conduct every aspect of our operations with honour, sincerity and in an ethical manner.

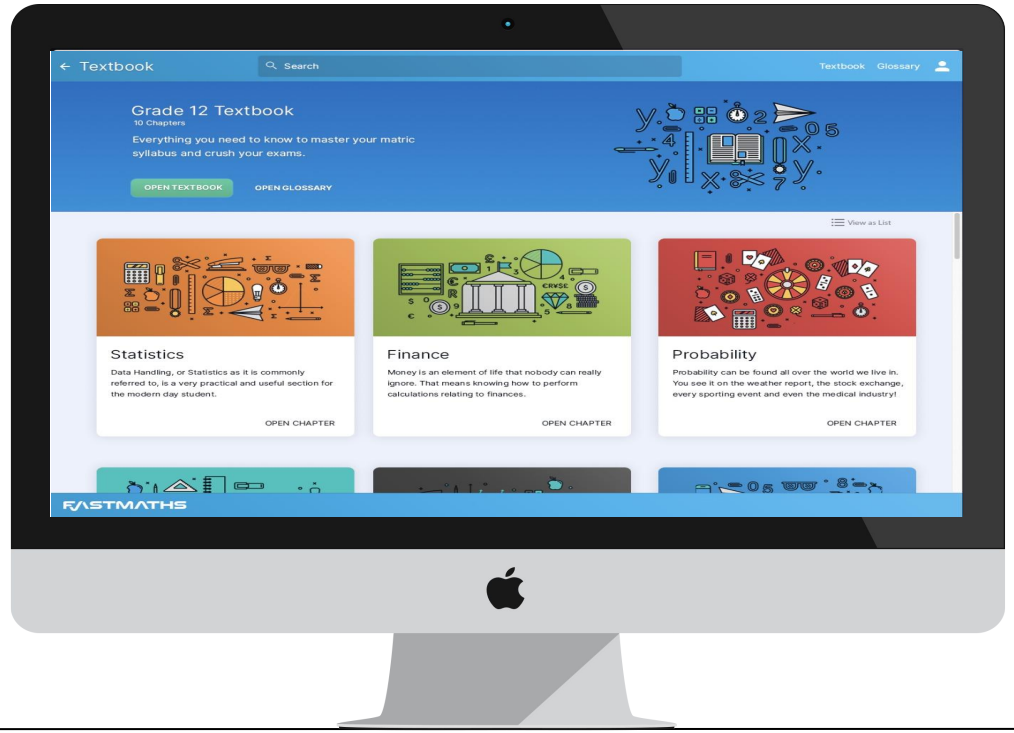
2. To derive joy, fulfilment and pride from the work that we do.

3. To be eternal, humble students of the EdTech industry always striving to grow, evolve and learn.



Fast Academy has three chief fundamental values:

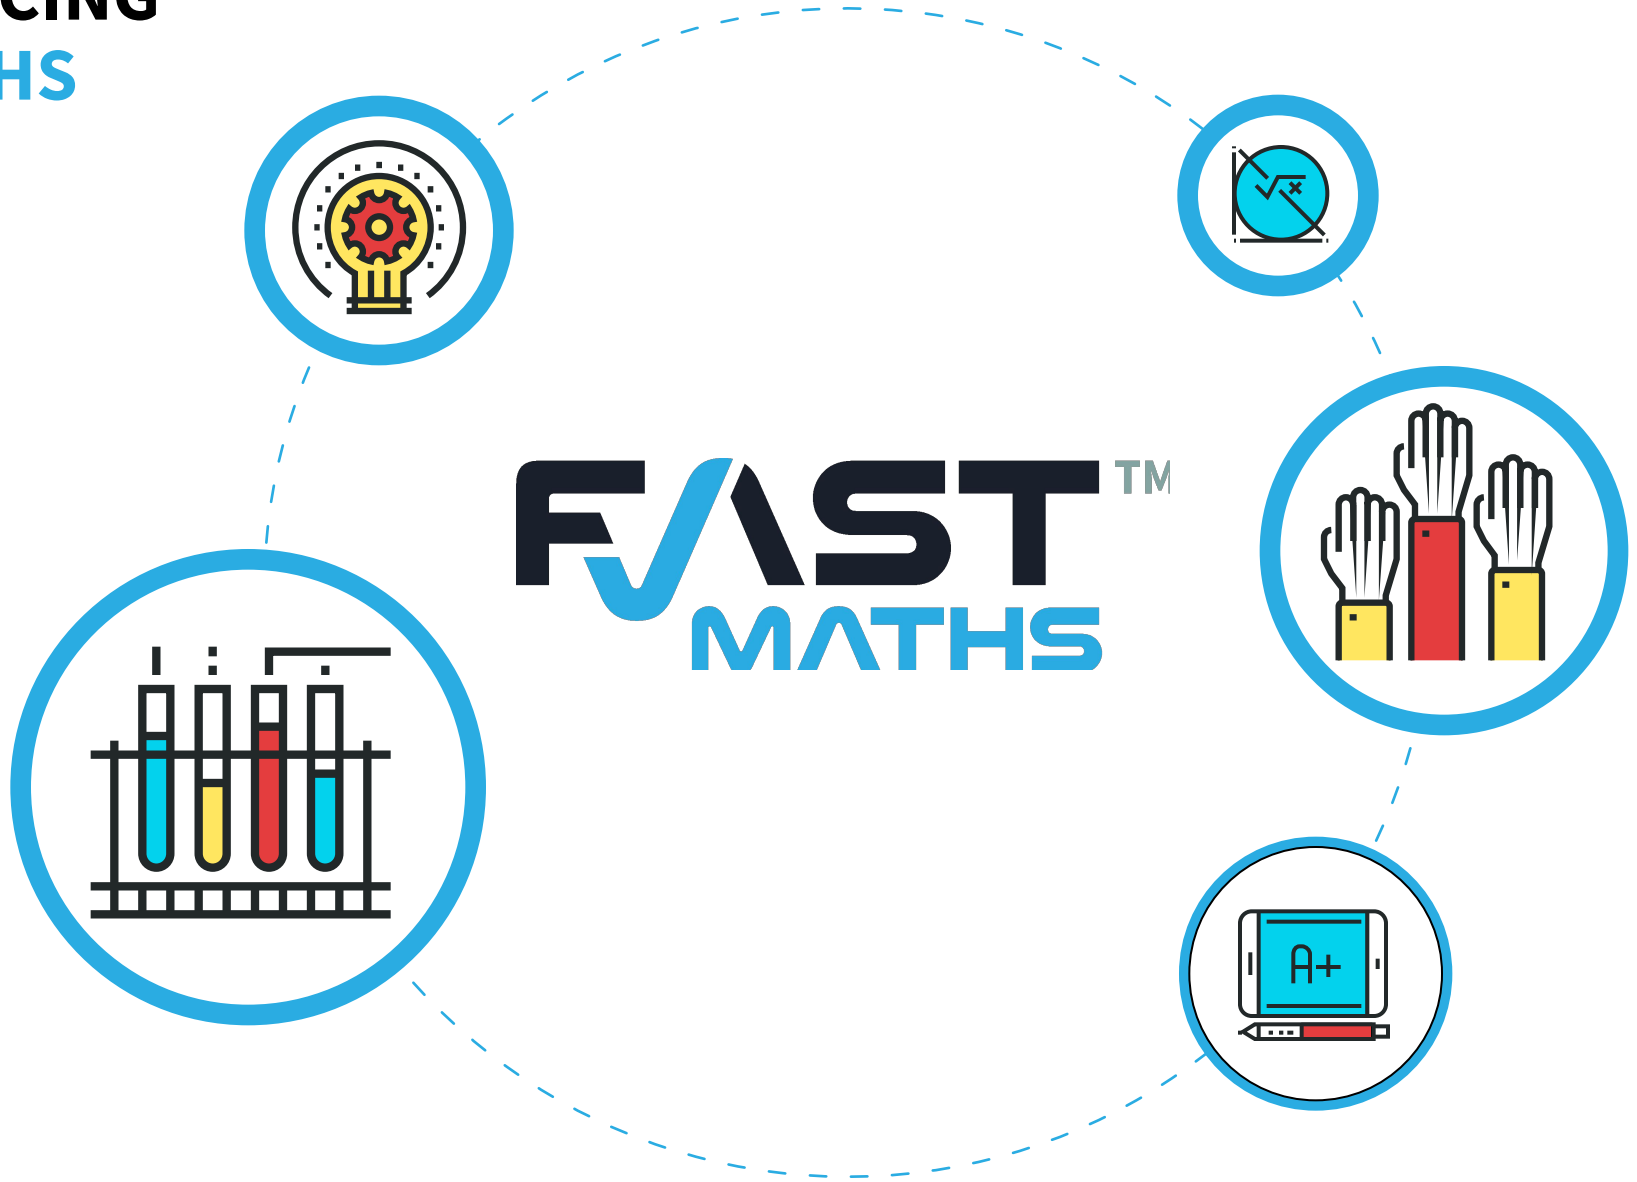
OUR SOLUTIONS



Fast Academy has a powerful armoury of tools, which combine to provide a distinct approach to EdTech solutions in emerging markets. Our solutions include:

- **Printed Study Guides**
- **Digital Content Delivery**
- **Multi-lingual Language Support**

INTRODUCING FASTMATHS



HIGH QUALITY CONTENT

We have proven* that our system improves learner competence through a combination of:

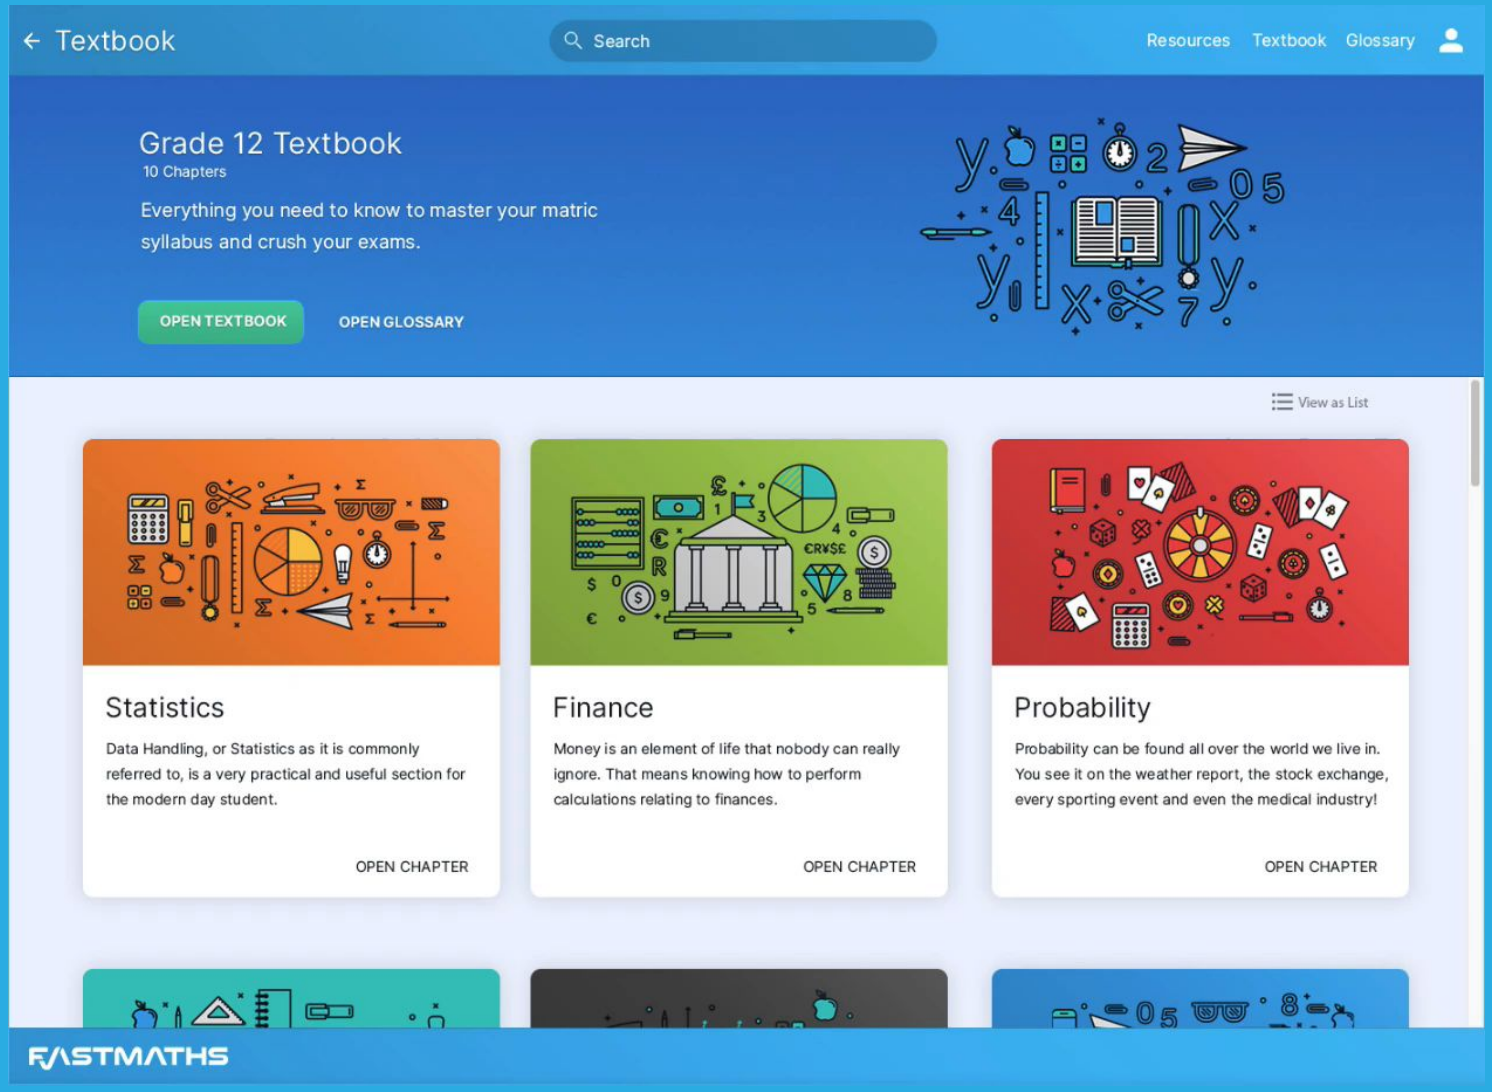
A pedagogy that has been refined and codified over 20 years

The best-in-breed notes, developed by professionals and perfected with rigorous testing

Understanding of the limitations in infrastructure & technology in emerging markets

*Data from several programmes indicate a direct correlation between engagement with our solutions and an improvement in mathematical knowledge and ability.
In one programme, class averages increased from 36% to 60% in just 5 months!

HIGH QUALITY CONTENT



INTERNSHIP PROGRAMMES

The Incline Fast Academy is a maths and coding academy designed for students who failed matric maths. Their journey takes them through this learnership programme as interns while broadening their possibilities of entering the job market afterwards.
